AESTHETIC TREATMENTS ONLY

Have you had any Botox/ dermal fillers – if so when?

I understand that with any treatments certain risks are involved and that any complications or side effects could occur. I freely accept these risks. I have been advised no AHA's (Alpha hydroxy acids), Glycolics, Retinol, Anti-Ageing Products or exfoliating products for 72 hours. Please do not take any sauna, sun bed or have any sun exposure for 48 hours. No swimming, facial waxing, electrolysis or fake tan applications for 24 hours. No heavy make up for 12 hours. The use of SPF 15 at all times during a course of treatment is strongly recommended.

Please read carefully and only sign if you are in full agreement with all contents.

I confirm that I have understood the treatment that I am about to receive and confirm that I am willing to proceed without confirmation from my own GP or consultant.
